AN IMPORTANT HISTORY

Hove as we know it today began life as a collection of small fishing villages to the west of Brighton, however, with the arrival of the railway in the 1840s, the settlements went through a period of fast growth, eventually merging into one.

With the development of the lawns and promenade, the area gained increasing popularity and in the late 19th century construction began on the grand terraces and mansion houses that line the seafront today.

AN ASSURED FUTURE

Present day Hove is a neighbourhood characterised by stylish individuality and laid-back charm. Just far enough away from Brighton's hustle and bustle, Hove's well-appointed centre offers an all-round quieter life.

Its streets are lined with beautifully independent boutiques and irresistibly inviting cafés, just waiting to be explored. Evenings out offer a certain refinement that's hard to beat, with a choice of restaurants offering a tantalisingly diverse range of cuisine and refreshments.

the city's tourist centre. Having said this, Hove station keeps the area excellently connected to the capital and the rest of the country.

The result is a welcoming, family-friendly area that provides a perfect retreat from the Brighton buzz, without losing its appeal. No wonder it's one of the most desirable places to live in Sussex.

SITE PLAN

With a gated entrance, cycle parking and carefully landscaped surrounds, Grand Avenue has been designed to create a welcoming community that you'll love to call home.

The development layout does not show details of gradients of land, boundary treatments, local authority street lighting or landscaping. It is our intention to build in accordance with this layout. However, there may be occasions when the house designs, boundaries, landscaping and positions of roads and footpaths change as the development proceeds. Please speak to a member of our Sales Team for more details.

SHARED OWNERSHIP AND OPEN MARKET SALE OPTIONS

Shared Ownership is a Government-backed scheme to help you get on the property ladder with a smaller deposit.

HOW DOES IT WORK?

You initially purchase between 25%-75% of the home's market value, you then pay subsidised rent on the remainder.

AM I ELIGIBLE?

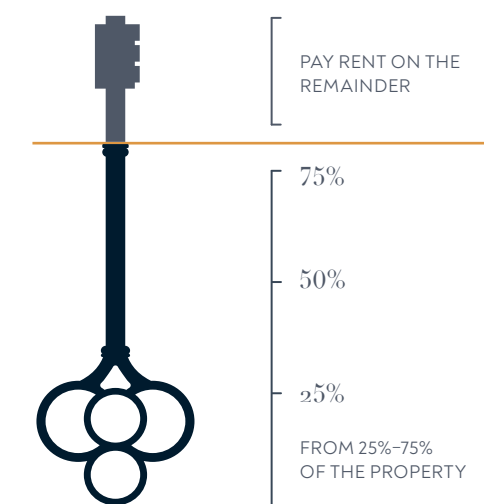

To be considered eligible for the Shared Ownership scheme your yearly income must be below £90,000 within London, or £80,000 outside of London. You cannot buy with Shared Ownership whilst you own another home.

WILL I NEED TO PAY A DEPOSIT?

To be considered eligible for the Shared Ownership in most cases, you will need a mortgage deposit from 5% of the share percentage you are purchasing.

A panel of specialist and experienced mortgage advisers will be provided to you. Any of these firms will be able to advise you on the best options available to you, so please ask us to refer you for further advice. If the property's market value is £200,000 and you're buying 25% then your proportion will be £50,000.

This means you'll need a deposit of £2,500 alongside a mortgage of £47,500. You're also able to own the property outright, by increasing your share to 100%.

If you're not eligible for a Shared Ownership scheme, you can buy with Open Market Sale. Open Market Sale is the traditional way of buying a property. Purchasing the entire property. Whether you buy it outright or with a mortgage, you become the sole owner of the property (or co-owners if you buy it with someone else).

Shared Ownership – Terms and conditions apply. All applicants are subject to qualifying criteria and status. Minimum and maximum share values apply and rent is payable on the unsold share typically set at 2.75%. Please speak to a member of our Sales Team for more details. Southern Housing supports the development of mixed tenure schemes and is proud to provide various buying options such as Shared Ownership and open market sale at Grand Avenue. We may change the tenure of some homes subject to demand. Please speak to the sales team regarding different buying options available on your selected plot at Grand Avenue.
